

MonLines MBS007B screw-on TV stand 37-70 inches, black

Description

The MonLines MBS007B TV stand to screw on with a height of 1800mm is for TVs of 37 inches to 70 inches with a weight of up to 30 kg. Monitors with a VESA mount up to max. 600x400mm can be attached to the monitor stand and 360° swiveled around the TV pole. The integrated cable management ensures a clean and tidy organization of cables within the column.

With the TV stand firmly screwed to the floor the color black sets the scene for flat screens. The slim design of the column with a 50mm tube diameter can be easily integrated into different furnishing styles. Thanks to the swivel function around the pole, the TV can be adjusted to the needs of different users. The display can also be tilted 5° up and 15° down.
