

Installation instructions

MonLines V081

VESA adapter for Lenovo IdeaCentre AIO 3

1. Remove the cover

Remove the cover from the stand on the back of the TV.

2. Remove the stand

Unscrew the stand and remove it. Keep the screws.

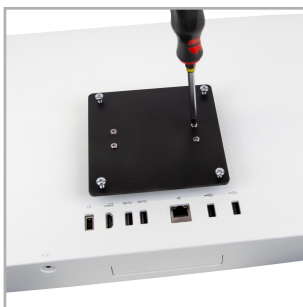

3. Attach spacers

Attach the spacers to the existing threaded holes.

4. Place the Vesaplate

Place the VESA plate on the spacers.

5. Screw on the Vesa plate

Screw the Vesa plate in place with the screws from the stand.

6. VESA mount

Your TV has the Vesa standard 100x100mm and can be combined with a monitor holder.
